CS3 Monthly Business Volume (Sales) Report

# 1. SALES DATA WORKSHEET

**Vendor Name** – Your Company Name

Contract Number – Your CS3 Contract Number

Agency Name – Name of the Agency that will receive the products and/or services. Please search for the Agency Name from the "Agency Name-Code List" Worksheet. Once the Agency Name is located, please copy and paste the Agency Name from the "Title" Column, into the "Agency Name" field of the "Enter Sales Data" Worksheet. If unable to locate the specific Agency, please type the Agency Name.

Ordering Activity – Name of the Ordering Activity that issued the task order.

**City** – City of the Ordering Activity.

**State** – State of the Ordering Activity in abbreviated format (e.g., AK, VA, MD).

**Zip Code** – Zip Code of the Ordering Activity.

**Contracting Officer Name** – First and Last Name of the Contracting Officer that issued the order.

Contracting Officer Phone Number – Phone Number of the Contracting Officer that issued the order. Format: (xxx) xxx-xxx

Contracting Officer E-mail – E-mail address of the Contracting Officer that issued the order.

**Date of Order** – The date the order or modification is signed by the Contracting Officer. This is typically located as Item 31c on Standard Form 1449 – Solicitation/Contract/Order for Commercial Items or Block 16C on Standard Form 30 - Amendment of Solicitation/Modification of Contract. Format: M/DD/YYYY

Order Number – The order number "assigned" by the Ordering Agency that issued the order.

**Modification Number** – The contract modification number "assigned" by the Ordering Agency, if applicable.

Requisition Number – Identify the requisition number for DISA/DITCO orders only. This is typically located as Item 1 on Standard Form 1449 – Solicitation/Contract/Order for Commercial Items or Block 4 on Standard Form 30 - Amendment of Solicitation/Modification of Contract.

**Description of Services** – A brief description of the equipment and/or services acquired. Please include applicable narrative such as MSS, FSS, leased service, modification, in support of, etc., to provide further clarification.

Period of Performance Start Date – The actual date the service is scheduled to begin. This is typically identified within the task order. Do not report option periods unless they are exercised by the Ordering Activity. Format: M/DD/YYYY

**Period of Performance End Date** – The actual date the services are scheduled to end. This is typically identified within the task order/delivery order. Do not report option periods unless they are exercised by the Ordering Activity. Format: M/DD/YYYY

**Total Order Value** – Total dollar amount awarded/obligated on the task order, not including options.

## 2. LINE ITEM DATA WORKSHEET

Date of Order – The date the order or modification is signed by the Contracting Officer. This is typically located as Item 31c on Standard Form 1449 – Solicitation/Contract/Order for Commercial Items or Block 16C on Standard Form 30 - Amendment of Solicitation/Modification of Contract. Format: M/DD/YYYY

Order Number – The order number "assigned" by the Ordering Agency that issued the order.

Modification Number - The modification number "assigned" by the Ordering Activity (e.g., P00001).

Line Item Description – Provide product or service description for each line item purchased. Please include Contract Line Item Number description shown on award document.

**Quantity Sold** – Self-explanatory.

Unit – Identify unit measure (e.g., each, lot, minute, day, month, quarter, annual, etc.)

**Unit Price** – Cost per unit.

Extended Price – Unit Price multiplied by Quantity Sold.

Frequency Band – The portion of the electromagnetic spectrum within a specified upper- and lower-frequency limit (e.g., C-, Ka-, K-, Ku-, X-band).

Bandwidth Capacity - The information carrying ability of the bandwidth purchased by the Ordering Activity/Agency measured in MHz (e.g. 36).

Data Rate – The rate at which a channel carries data, measured in Kbps (e.g., 256). Sometimes described in terms of Committed Information Rate (CIR) and Burst Information Rate (BIR).

Regional Coverage – The geographic area serviced by satellite beam.

Satellite Name or Number – The satellite name/number providing the service.

**Information System Category** – The Information System Category defines the information systems as high-impact, moderate-impact, or low-impact for the security objectives of confidentiality, integrity, and availability.

Private or Shared Network – A private network is built and owned by an end user organization. A shared network is built and owned by multiple end user organizations.

HNA Required (Y/N) – The task order requires the contractor to establish relationships and/or negotiate agreements with host nations to obtain spectrum licenses to transmit voice, data, or video services in their international location.

Portability Service (Y/N) – The task order requires redeployment of satellite services. Portability may include moving from one transponder/satellite to another, one managed service area to another, transponded capacity redeployment between beams or transponders on a single satellite, redeployment from one frequency band to another, physical relocation of a satellite to a new orbital position, re-routing of teleport services from one teleport to another pre-defined teleport, re-routing of traffic from one terrestrial infrastructure to another pre-defined infrastructure, and movement of Network Operations Center (NOC) services from one NOC to another NOC.

**Expedited Service (Y/N)** – The task order requires satellite services 7 calendar days or less after the contractor receives order.

Commercial Teleport (Y/N) – A commercially available satellite ground station with multiple parabolic antennas that functions as a hub connecting a satellite network with a terrestrial telecommunications network.
